RE: Wildlife Habitat Conservation Management Plan Monitoring

Thank you for meeting with me to conduct compliance monitoring on your property enrolled in the Wildlife Habitat Conservation Management Program (WHCMP). The property is located at 77406 High Prairie Road, Oakridge, Lane County, OR 97463, Township 21s, Range 03e, Sections 04 and 09, and tax lots 700 and 100.

Your property was in excellent condition, containing all elements outlined in your wildlife management plan. Thanks again for all your hard work and dedication in providing and improving habitat for Oregon's fish, wildlife, and natural resources.

Please do not hesitate to contact me at any time to discuss conservation and management practices. I may also contact you between monitoring visits should new equipment, techniques, or other useful information come to my attention that would benefit your efforts in providing habitat for Oregon's wildlife.

Respectfully,
